New Water Project

Dallesport Water District is developing a plan to provide water supply and service to existing water systems in North Dallesport. To do this project the District must qualify for a grant from the State to extend a water main to North Dallesport. In order to get the grant we need the water systems in North Dallesport to agree to receive service from the District. The intent of this project is to provide safe, reliable and affordable water service to this area. There are a variety of problems with the systems in North Dallesport including deteriorating infrastructure, a lack of water rights, non-existent fire protection, insufficient resources for operation and maintenance and regulatory compliance issues. The State and County Departments of Health and the State Department of Ecology are aware of the problems and are working with the District to help solve these problems. The State, the County and the

District believe the best solution is to merge with the District's water system. We will provide clean, safe, high quality potable water to North Dallesport along with fire hydrants to provide fire protection. Our water system is up to date on all water quality testing. We have ample water supply. We have a state of the art water filtration system that filters out the iron and manganese that is a problem in the groundwater in Dallesport. The District intends to build a new water main on Dallesport Road in the 1st phase of this project to simply provide a source of water supply. In the 2nd phase the District will build all new pipelines in each of the North Dallesport water systems. If North Dallesport agrees to move forward with this project, the ownership of the North Dallesport water systems will not change until we have finished the 2nd phase of the project. At that point in time the District

will take over operation and maintenance of the water systems and the old water system ownership will be dissolved. This is a complex project because it can only be done with grant funding (lots of red tape) and it will take several years to complete both phases of the project. The 1st phase could be completed in about 2 years if the North Dallesport water systems agree to do this project this year. This project will be completed using grant funding and will not require any financial contributions by the residents/owners of the property except for some minor plumbing work at each house to connect to the new pipelines as part of Phase 2. Please join us on November 14, 2018 at 6:30pm at the Dallesport Community Center to discuss this project.

Board of Directors

If you have any questions regarding your water system, please feel free to contact: Lane Goodenough, District Manager 541-980-6756 dwdmanager@gmail.com or Austin Wilson, DWD Clerk 541-980-6514, or dallesportwater@gmail.com Clerks office hours: 8:00am to 1:00pm Monday thru Thursday. **Dallesport Water Dist.** P.O. Box 131 Dallesport, WA 98617

Monthly meetings are held on the 2nd Wednesday of every month at 6:00pm at the Dallesport Community Center.

Dallesport Water District would like to announce that hydrant flushing went well. The district has a note to all community members to move debris or keep debris away from meter boxes, so reading is more proficient and with the weather getting colder, insulation for meter boxes will be required. The district will post an announcement on how to do so in Post Office in November.

Book Report

By Judy Bane
"The Rules of Wolfe"
by James Carlos Blake

Eddie Gato Wolfe is a young, impetuous member of the Wolfe clan of Texas outlaws, gun-runners and bootleggers which goes back generations. Increasingly unfulfilled by his minor role in the family's operations and eager to strike out on his own, Eddie crosses the border to work security for a major Mexican drug cartel run by the ruthless La Navaja.

At a party thrown by La Navaja, Eddie falls for a beautiful woman named Miranda, whom he learns too late is the girlfriend of El Segundo, La Navaja's only living brother. When El Segundo finds Eddie and Miranda together, Eddie is forced to kill El Segundo, forcing the two young lovers to escape the cartel in the hopes of crossing the border and reuniting with the Wolfe family.

However La Navaja's reach is far and his lust for revenge insatiable, and he sends a horde of operatives on Eddie and Miranda's tail, along with a notorious bounty hunter named El Martillo. As Eddie and Miranda try to evade capture, they realize that even if La Navaja's men don't kill them, a once-in-a-generation sandstorm very well may. Fighting their way through the brutal Mexican desert, Eddie and Miranda's only hope may be the very Wolfe family that Eddie abandoned, who will cut through anything and anyone in their path to save one of their own.

I started this book and it was so engrossing, I didn't put it down till I finished it. Fast paced, vivid in detail and a story so in tune with what is happening in our country right now. I'll gladly read more of this author.

By Pj Sisseck

Community Council Report for October 11, 2018

The Community Council Website - did you know we have one? It has gone quite some time without any updates. Caleb Hotchkiss is working on re-vamping the website - expect some new information soon.

Council Members plan to take turns attending the Lyle School Board meetings. Don McDermott, our fearless leader, is on board for the 4th Wednesday in October at 6 PM. He will report back to the Council on 8 November, and recruit the next volunteer.

The Dallesport Water District has implemented some changes in the billing structure - expect an increase in your bill. Contact the water district to find out the details of the increase. Also, work is being done on a grant that should cover costs to extend the Water District north to Garden Street.

The Council is monitoring the proposed Additional Dwelling Unit regulations. The final version of the regulations are being worked on by the County Planning Department. If community members have concerns or comments, please contact a Council member who can bring your input to the table at the next meeting.

Dave McNeal has been monitoring minutes of the Klickitat County Commissioners' Meetings to find out what issues are important to the Dallesport Murdock area. In a recent meeting, Ruby Irvin from the Solid Waste Department mentioned that citizens hauling their loads for disposal need to secure them better. Also, there is a move to develop a Youth Ecology Corps for litter pickup (this would provide part-time and Summer jobs for ambitious young people).

Each year the Community Council holds elections before its November Council meeting. Three of the nine council positions are open this year as in every year. So far, three people have committed to being on the ballot for this year's election. They are Bill Clark and Mary Ann Pauline running for reelection and Caleb Hotchkiss running to fill a position vacated by PJ Sisseck. Caleb was appointed to PJ's position when she resigned.

Write-in votes for other candidates will be accepted, provided the criteria for being a registered voter and residency (minimum of six months within the borders) are met.

The election will be held from **5 to 7 pm on November 8, 2018** immediately before the Community Council meeting

at the Dallesport Community Center. Voters must be registered to vote in Klickitat County and live within the boundaries of the Dallesport-Murdock district (Lyle Tunnel to Avery Landing west-to-east, and the ridgeline to the Columbia River north-to-south)

The next meeting of the Dallesport-Murdock Community Council is scheduled for **November 8th, 7 PM, Community Center on 6th**. Our speaker will be Sharon Carter from Senior Services to talk about public transportation now available in our area.

Starting November

[Dallesport Murdock Vfd](#) will be suspending our monthly breakfast thru the holiday season. We will resume in January

We will still have coffee available on November 17th and December 15th for a donation from 7-9 am at the Dallesport fire station.

FREE Smoke Detectors

Everyone in Klickitat County is eligible for FREE, brand new, installed smoke detectors thanks to the 15 Fire Protection Districts within our county and The Red Cross.

If you're interested, see the attached poster and call 509-365-2500 (leave message) or email

FIREPREVENTION@LYELFIRE.COM

You should also leave the following info: Name, address, contact info, fire district in which you live, # bedrooms, one or two story home, # of people who live in home.

Tracy McCune from LVFD4 is on the other end handling all the requests. She will get back to you and set up a time for someone from LVFD4 and/or your own Fire Dept, and at least one person from the Red Cross and to come to your place and install them.

These are totally sealed detectors (you don't ever change the battery) which are good for 10 years.

Let's be safe out there!

Oh Christmas Tree

Mark your calendar: The U.S. Capitol Christmas tree will begin its journey across the country on November 9, with stops in 25 communities along the way.

The 3,000 mile journey comes as the nation marks the 175th anniversary of the Oregon Trail.

The tree will be cut Friday, November 2, from the Sweet Home Ranger District of the Willamette National Forest.

The tree begins its journey a week later with a program at Sweet Home High School, followed by weekend stops in Albany, Springfield, McKenzie Bridge and Oakridge.

The tree will travel through Western Oregon before heading east to D.C.

The Capital Christmas Tree will continue through Oregon, with stops in Bend, Salem, The Dalles and Baker City before blazing a trail east across the country.

• **Wednesday, Nov. 14: The Dalles City Hall, 313 Court Street, The Dalles, Oregon 97058 (9:00 –10:00 a.m.)**

The 3000 mile journey comes as the nation marks the 175th anniversary of the Oregon Trail.

The tree will be lit in early December on the West Lawn of the Capitol in Washington, D.C.

This is the first Capitol Christmas Tree ever selected from the Willamette National Forest and only the second tree from Oregon.

29th Annual Starlight Parade

November 23, 2018 6pm

The Holiday Season is fast approaching, with that comes one of the most anticipated parades of the year! This year's Parade theme is "Hollywood Christmas". We invite you to celebrate the Christmas season at the 29th Annual Starlight Parade and Tree Lighting Celebration, on November 23, 2018.

Enjoy floats decked with lights, Christmas music and holiday cheer in the air. Witness the delight in the children's eyes as they watch Santa's sleigh rolling down the streets of The Dalles. The holiday spirit then comes to life at the Annual Tree Lighting Celebration, complete with Santa photos, hot chocolate, cookies and popcorn.

The parade begins at 6pm at West Sixth and Webber Streets, then rolls through downtown before ending in front of The Dalles Chamber of Commerce office. The Tree Lighting Celebration will take place following the parade at 7pm.

Want to showcase your business' Holiday spirit? Enter a float in this year's parade. Applications are available online at thedalleschamber.com or in the Chamber office at 404 West Second Street. Deadline for applications is November 16th at 5pm.

Spirit Gear Available Online This Year

We are excited to launch our new line of "Cougar Gear!" We are doing it a bit differently than in previous years as we are doing it all online. There are a variety of items that you can choose from and you can customize your order accordingly.

Please know that this is a fundraiser for our ASB. The ASB is the driving organization of Student Government for our students in grades 6-12. The money raised goes to provide things for sports, dances, student activities, etc. The secondary school ASB has invited the elementary to participate and has agreed to split any proceeds with them 50/50.

All sales are online and need to be made via the following link: shop.fancloth.com/98635/446644 (no www).

Participation is completely optional. Please do not feel obligated to purchase or have your student sell anything.

Orders should be in Mid-December. All orders and customer service will be handled by Fan Cloth, not the school

Orders will be taken through November 12, 2018. If you have any questions, please feel free to call the office at 509-365-2211 and ask for Jen.
