Book Report

By Judy Bane
"The Third Victim"
by Philip Margolin

A woman stumbles onto a dark road in rural Oregon - tortured, battered, and bound. She tells a horrific story about being kidnapped, then tortured, until she finally managed to escape. She was the lucky one - two other women, with similar burns and bruises, were found dead.

The surviving victim identifies the house where she was held captive and the owner, Alex Mason - a prominent local attorney - is arrested. Although he loudly insists upon his innocence, his wife's statements about his sexual sadism and the physical evidence found at the scene, his summer home, is damning.

Regina Barrister is a legendary criminal defense attorney, known as "The Sorceress" for her courtroom victories. But she's got a secret, one that threatens her skill, her reputation, and, most of all, her clients. And she's agreed to take on the seemingly impossible task of defending Alex Mason.

Robin Lockwood, a young lawyer and former MMA fighter, has just left a clerkship at the Oregon Supreme Court to work for Regina Barrister. The Alex Mason trial is her first big one, a likely death penalty case, and she's second chair to Regina. Increasingly, she's worried her boss's behavior and the details in the case against their client don't quite add up.

This author never fails to tell a great story. Engaging characters, intriguing plot twists. He is a master at keeping you flipping the pages. You won't be sorry to have read all his books.

Our very own Mildred Lykens has published her fourth historical novel! As most of you know, Mildred has been writing for the local papers for many years,

chronicling and promoting local events and our friends and neighbors who are involved with them. In her spare time, she sews dresses and tank tops for the Samaritan Purse Project. Last fall, she completed her 2000th garment, but she hasn't stopped there. Mildred gratefully accepts donations of fabric scraps and

sewing notions that help her complete her projects.

And then there is her creative writing. About ten years ago, she published a pair of books based on the story of her family's origins, The Tirrell Gang, and The Lykens Legacy. Her next book was more of a booklet called Ghosts in the Gorge. Her newest edition is entitled "Blue Feather." This book is about a Cherokee girl whose tomboyish nature finds her in one mishap after another. Her rebellious and prideful behavior makes it hard on her clan being pursued by Army soldiers as well as her mother who is determined to raise her to obey Clan rules.

From a chance meeting with an old trapper, to repelling the advances of a neighboring clan boy, to her insistent desire to see the white man's world, her actions place her in one calamity after another. This behavior also forces her to fight for survival as she grows to adulthood.

If you are interested in purchasing a copy of Blue Feather, contact Mildred at 509-365-0060. They are \$19.95 and she does have a few copies on hand.

Adulting 101

Yikes, I'm an adult (or almost), what do I do now? If you're between the ages of 16 and 25, we'll help you ease into that adult world. In this monthly program we'll help you prepare for life on your own. Each month will focus on a different topic, such as job hunting, cooking and shopping, car care, and budgeting.

Adulting 101 takes place on the first Thursday of the month, at 6:30 in the library's meeting room.

Community Council Corner

By Caleb Hotchkiss

The Dallesport-Murdock Community Council met on May 9th, 2019 at the Dallesport Community Center on 6th Avenue.

Mr. Frank T. Hewey, the sole code compliance officer for Klickitat County, spoke regarding his efforts to enforce code compliance in the community. Mr. Hewey impressed upon the community the importance of patience and cooperation by reporting code violations. Mr. Hewey gave updates on several properties including progress on 203 and 209 Cypress St., a property on 6th Ave., 1200 Dallesport Road, and properties at Lyle Point. The Klickitat County Code Compliance can be reached at 509-773-3706.

Councilman Rizzi gave an update on the Klickitat County Training Center shooting range. He noted that a Chief Safety Range Officer and manager were hired, and that safety officers are being trained. The plan is to open in late June and will be open from 12:00 PM to 7:00 PM Fridays, Saturdays and Sundays.

Councilman Morris briefed the Council on legislation that would grant authority to the fire chief and assistant chief to marshal aircraft in support of fighting fires.

Councilman Morris also discussed his appearance before the Klickitat County Board of County Commissions on April 30th to promote a Washington State bill to amend property tax laws regarding the Columbia Gorge Regional Airport (CGRA). The law, as it stands, does not tax regional airports in the state other than the CGRA since it is the only regional airport in the state over a 400 acre size limit.

Future speakers are being sought, and may include Rita Pinchot of Klickitat-Lyle Against Substance Abuse Coalition (KLASAC), or Mrs. Sharon Carter, Director, Klickitat County Senior Services.

There is a vacancy on the Dallesport-Murdock Community Council. If you are interested, please email the Council at DallesportMurdockCC@gmail.com or visit an upcoming meeting.

The next meeting of the Dallesport-Murdock Community Council is Thursday June 13th at 7:00 PM, at the Community Center on 6th Avenue.

Mobile Market

The Gorge Grown Mobile Market, (located at the Lyle Activity Center), **every Friday from 4-6PM** and will run till November. Come enjoy fresh local produce, featuring your neighborhood farmers.

Candidates for Water District Commissioner

I am a candidate for the Dallesport Water District Commissioner Position #2. I have lived in Dallesport for the past 13 years. Prior to moving to Dallesport, I resided in The Dalles for 26 years. I retired after a 29 year career in the banking industry. The Dallesport community continues to grow and change. Future growth will present challenges that require cooperation within the community. As a Dallesport Water District Commissioner, I will act in a legal, ethical, open and respectful manner. I will listen to the concerns of the community and work to provide the water services our residents deserve. I believe my background in the financial field will lend itself to responsible fiscal management. I look forward to serving the rate payers of the Dallesport Water District.

Bill Clark

I'm David D. McNeal. With my wife Renee, and our dog Ringo, I live at 206 D Street in Dallesport. As resident citizens since the last week of June 2015, we are registered voters and happily retired.

November of 2017, I joined the Dallesport-Murdock Community Council with a desire to be informed and involved within this special community.

Tuesday, May 14, 2019, after considerable deliberation, I submitted a declaration of candidacy for the Dallesport Water Commissioner Pos. #2.

With my primary education completed in 1968, I embarked on a collegiate path for gainful employment. However, by the third year of this endeavor I realized my heartfelt desire was not to seek employment stationed behind a desk in some office. I found the construction industry a better fit. And, with a little nudge by my father, I applied for an electrical apprenticeship through the I. B. E. W. in Tucson, Arizona where I was raised.

I began my four-year apprenticeship in 1971 and became a Journeyman Wireman in 1975. My career eventually took me to Seattle, Washington. In 1994, I found myself raising three young children alone with a challenging choice to make. Do I continue working in the construction industry, or make a change? The local employment picture was bleak at best. I made the crucial decision to increase my skill set by enrolling at Lake Washington Technical College.

Ten months later, I had successfully tested for an EPA certification and two City of Seattle licenses when I was hired by Darigold Farms. Over the ensuing seven years, the food industry provided me with gainful employment as a Stationary Engineer and another union affiliation as a member of the I. B. E. W. in Seattle, Washington.

June 2005, I moved into another industry. As a Building Engineer, I was employed by one of the largest international real estate firms where the monumental corporate directive was always *Customer Service*. Training with a focus on Best Practices was of paramount importance. I remain convinced these skills are mandatory when interacting with any public sector entity. I retired from the workforce in October of 2014. David D. McNeal

“Ride for Those Who Can’t.”

Don Smith, our transportation manager, is about halfway through a cross-country motorcycle ride from Ontario, CA to Washington, D.C. He's on the southernmost route of the Run for the Wall, a 10-day organized trip with stops at VA hospitals, memorials, schools, and community centers, and often spontaneous parades through towns on the route. The Wall refers to the Vietnam War Memorial in D.C. Don's group is escorting a fallen hero cart dedicated to Major Michael Davis O'Donnell, who was lost on January 1, 1970, over Dak To, Vietnam.

They're scheduled to arrive in Washington, D.C., on Friday May 24, and on Saturday, approximately 400 of them will go to Arlington National Cemetery for a wreath-laying ceremony at the Tomb of the Unknown Soldier.

Prior to leaving for the ride, Don and fellow rider and Dallesport resident Bob Canavan spoke with students at the high school. Teacher Cody Magill plans to teach a unit on the Vietnam War this month, further giving context to the origins of the Run for the Wall.

According to the website, the ride was first organized in 1989 and its goal is to promote healing among all veterans and their families and friends, to call for an accounting of all prisoners of war and those missing in action (POW/MIA), to honor the memory of those killed in action from all wars, and to support our military personnel all over the world.

The motto of the ride is to “Ride for Those Who Can’t.” Veterans from WWII, Korea, Vietnam, Desert Storm, Desert Shield, OIF/OEF have all participated.

Gorge Ride

June 22, 2019

Friends of the Historic Columbia River Highway present GORGE RIDE. Our biggest fund-raising event of the year toward Restoration & Reconnection of the Historic Columbia River Highway and State Trail to create America's Best Scenic Bikeway!

Beginning at the [Gorge Discovery Center](#), 5000 Discovery Drive, in The Dalles, Oregon. It extends 19.25 miles along the historic highway and State Trail west to the [Senator Mark O. Hatfield West Trailhead](#), just east of Hood River.

This route is a combination of historic highway that is open to motor vehicles, with very low traffic, and the [HCRH State Trail](#) that is open only to hikers and bicyclists. It's an out and back route of 38.5 miles. This ride is supported with water stops, snacks, mechanical support, and SAG wagons. Maps with a cue sheet and elevation chart are provided.

The terrain really isn't as tough as it looks on this elevation profile -- the HCRH was built with no grades exceeding 5%. When you encounter a hill, just 'gear down', take it one pedal stroke at a time, and remember that it's

taking you to a view even nicer than the ones on the way up! The variety of scenery is amazing!

Online registration will close at 11:59 PM, Monday, June 17 with a non-refundable, online, advance registration fee per rider: Ages 12 & up = \$40. Ages 6-11 = \$15. Under 6 are free. Add \$10/rider for day-of-event registration. Online registration is the only advance registration method.

A sack lunch from the Basalt Rock Café, within the Gorge Discovery Center, will be available for purchase during online registration for \$14. **Lunches may be picked up 11 AM till 4 PM.**

T-shirts featuring Gorge Ride graphics are available for purchase during online registration for \$25 as a special order item. Pick up your shirt order on the day of the ride when you pick up your packet. Packet pickup will be at the Gorge Discovery Center on June 22nd from 7 AM to 10 AM. **The cutoff for T-shirt orders is 11:59 pm on 6/12/19. The course opens at 7 AM and closes at 4 PM.** Participants will be required to sign our waiver and release form at packet pickup. Riders under 18 years-of-age must be accompanied on the ride by a registered adult and their waiver and release form must be signed by a parent or legal guardian. [Participants must wear a CPSC/ATSM/ ANSI/Snell approved helmet](#)

Fees/Admission: Ages 12 and Up \$40
Ages 6-11 \$15 Under 6 FREE Add \$10 per rider for day-of-registration.

Original Wasco County Courthouse Program

"The Elusive Dr. Brooks, Early Physician in The Dalles" is the program taking place at the **Original Wasco County Courthouse**

Saturday, June 1. Sandy Bisset will present her research as part of the annual membership meeting of the Courthouse beginning at 1:30 p.m. There is no admission charge and attendees do not have to be members. The Courthouse is located at **410 West 2nd Place, behind the Chamber of Commerce, The Dalles.**

The business meeting will be brief, and the program traces the life of an early local resident who was virtually forgotten until recent research recovered his story. Dr. Charles B. Brooks arrived in The Dalles around 1860. He practiced medicine on First Street in conjunction

with druggists Polhemus Craig and the Waldron brothers. He made calls throughout western Wasco County and at times was the contract physician for the county owned hospital.

Dr. Brooks came across the plains from Kentucky in 1853 and first settled in Jacksonville during the gold strikes and the Rogue Indian uprisings. He left behind a collection of medical books when he came to The Dalles. This led to a query from the Southern Oregon Historical Society for any information about the doctor and why he left his books behind.

The Columbia Gorge Genealogical Society took up the request, and their research is the basis for Bisset's program. She comments, "It turns out this very private man we had never heard of had quite an interesting life." Refreshments will be served, Original Courthouse membership applications will be available, and donations are appreciated.

The **Wasco County Historical Society** presents the first of six programs in their summer series. The program will be at the historic **French House at 515 Liberty Street in The Dalles on June 1, 2019 at 11 a.m.** The building now houses the Sweetheart Bake Shop.

The building has a long history beginning circa 1865 and is named for the French Family who had the French & Company Bank for many years. History of the building will be presented by Cal McDermid and the present owner Jason Blevins.

Please RSVP to 541-478-3429 by May 28th as seating is limited. Refreshments will be available for purchase.
