## Lyle Gets New School Bus

Here are photos of our new bus - notice the seat belts? The new bus will be used for our Appleton route but will also be used for extra-curricular activities such as field trips, sports, and after-school programs. Like most smaller buses, our new bus has seat belts and even booster seats. Be aware that state law says students riding a bus equipped with seat belts must use them. We will adhere to that law.

## Book Report

By Judy Bane

### "Bull Mountain" by Brian Panowich

Clayton Burroughs comes from a long line of outlaws. For generations, the Burroughs clan has made its home on Bull Mountain in North Georgia, running shine, pot, and meth over six state lines, virtually untouched by the rule of law. To distance himself from his family's criminal empire, Clayton took the job of sheriff in a neighboring community to keep what peace he can. But when a federal agent with the Bureau of Alcohol, Tobacco, and Firearms shows up at Clayton's office with a plan to shut down the mountain, his hidden agenda will pit brother against brother, test loyalties, and could lead Clayton down a path to self-destruction.

This was a mountain of a story, forgive the bad pun, but that's what comes to mind when I think of it. A huge story with characters you can picture on the streets of your home town, this was a well told tale. I really enjoyed it and I am looking forward to reading the second in this series, "Like Lions", which continues the Burroughs family saga.

### Columbia Gorge Genealogical Society

September 14, 2019

Craig Hector, sexton for the IOOF cemeteries in The Dalles will present a program on the IOOF organization and tell us about the local cemeteries as well. Craig has given his presentation to other local organizations and it has been very well received.

Sure to be a great program! The meeting and program will be held in the downstairs classroom at the Columbia Gorge Discovery Center Meeting and program begins at 10:30 am.

A important note: Our society is in great need of new members and members that have Internet, publishing and organizational skills as well. We are a aging society, our members now have been members for a very long time and we need to pass on our genealogical and organizational skills to carry our society into the future. We have several committee positions that have not been filled for sometime. Ideas and suggestions are always welcome to better our organization

Meetings are open to the public so bring a neighbor, friend, son, daughter, niece, whomever and introduce them to preserving their family history for their future generations.

A 1.00 donation for room fee is suggested, you do not have to pay for entrance to the museum.

Membership is \$15.00 a year for a individual and \$20.00 for family membership. Memberships are from January to January.

The Basalt Cafe is open for great lunches and the Columbia River Trading Company gift shop has a great selection of gifts, books and toys for family and friends.

Carolyn Purcell and her crew have made us feel very welcome here for our meetings and programs. It truly is a excellent venue for us. Columbia Gorge Discovery Center 5000 Discovery Dr, The Dalles, OR

### Story Time

The White Salmon Community Library has set a schedule for its story times. This Fall's schedule will run Sept. 3 to Dec. 21:

- Pre-Walking Babies (ages 0-18 months): Fridays at 10:30 a.m.
- Toddlers (ages 18-36 months): Tuesdays and Thursdays at 10:30 a.m.
- Preschoolers (ages 3-6): Wednesdays at 10:30 a.m.
- Family (all ages): Saturdays at 10:30 a.m.
- Monday Morning Mix-Up (all ages): Mondays at 10:30 a.m.

The library storytime programs strive to:

- Provide fun, rich, age appropriate activities and experiences that build a love of books, libraries, and reading that will stay with children for a lifetime: stories, rhymes, songs, puppets, movement, art projects, play time and more!

- Explain, model, and empower adults to Read, Write, Play, Sing, and Talk with their children. These 5 activities have been proven to increase the early literacy skills needed as children get ready to read, giving them a greater probability of school success.

- Each storytime hosts a play time or crafts after the structured portion of the event.

- Parents or caregivers must be in attendance for all storytime programs.

- Siblings welcome.

- "Monday Morning Mix-Up" will offer a variety of interactive early literacy activities, but it will be different surprise each week!

## Community Council Corner

By Angie Jenkins

The Dallesport-Murdock Community Council met on August 8, 2019 at the Dallesport Community Center.

The Neighborhood Watch Program was recently approved. Councilman Anthony Rizzi has reflective metal signs made with emergency contact phone numbers printed. Contact the council or come to the next council meeting for additional information.

This is the Klickitat County Neighborhood Watch Sign. It is for established organized

Neighborhood Watch areas. It they are organized and registered with the Sheriff's Office through Lt. Anthony Rizzi, KCSO Posse, signs are then provided. POC is me at 541-980-4515.

They can call me to get organized and training on becoming a Neighborhood Watch.

Klickitat County Sheriff's Department will be getting a K-9! The county is acquiring a dog that will be trained to work with narcotics, patrol, and search & rescue. The council will be having Sheriff Bob Songer and Deputy Gaven Marble to speak at the next meeting **September 12th at 7 pm** and give additional information and answer questions. We look forward to seeing you at the next meeting.

The Community Garden group held its 3<sup>rd</sup> meeting. We are continuing to improve community interest and involvement. Please contact Bill Adams at [wva063@gmail.com](mailto:wva063@gmail.com) or myself at [angiejenkins111@yahoo.com](mailto:angiejenkins111@yahoo.com) if you are interested in helping or have any questions.

The next meeting of the Dallesport-Murdock Community Council is Thursday September 12<sup>th</sup>. at 7:00 PM, at the Community Center on 6th Avenue.

## Cougar Sightings

The Klickitat County Sheriff's Office and other Law Enforcement Agencies in Klickitat County has received numerous complaints in regards to Cougar sightings in Goldendale, White Salmon, Glenwood, Husum, and other neighborhoods throughout Klickitat

County. This is a serious PUBLIC SAFETY CONCERN. In addition to the Public Safety Concern, cougars and bears are a major concern and a problem for the farmers and ranchers in our County. Livestock and Domestic Animals are being killed by cougar and bears in our county on a regular basis.

As Sheriff, I have decided immediately to establish a program in accordance with Washington State Law, (RCW 77.15.245(2a)), which will allow better protection for the Public Safety, the protection of domestic animals and livestock within and through out Klickitat County.

Washington State Law (RCW 77.15.245(2a)) states the following:

"Nothing in the subsection shall be construed to prohibit the killing of black bear, cougar, bobcat, or lynx with the aid of a dog or dogs by employees or agents of County, State, or Federal Agencies while acting in their official capacities for the purpose of protecting livestock, domestic animals, private property or the public safety. A dog or dogs may be used by the owner or tenant of real property consistent with a permit issues and conditioned by the director."

The Klickitat County Sheriff's Office Deputies and Volunteer Sheriff's Posse/Special Deputies will provide the Primary Response to Wildlife-Human Conflicts involving Dangerous Wildlife. The Klickitat County Sheriff's Office will work closely with the Washington State Department of Fish and Wildlife in carrying out this program. However, the Sheriff Office will be in charge of the program.

We will also be working in cooperation with the Goldendale Police Chief and the White Salmon Police Chief, when they have cougar or bear sightings within their City Jurisdictions.

Sheriff Deputies and Volunteer Posse/Special Deputies will respond to all reported dangerous Wildlife conflicts that is a risk to human safety or domestic pets and livestock. A fully commissioned Deputy will be in charge of the incident response and has the authority of the Sheriff to invoke the appropriate action, under RCW 77.15.245 (2) by using sound dogs in tracking down and euthanizing the dangerous animal.

We are requesting the citizens of Klickitat County to immediately call in sightings of cougar or bear to 911

Dispatch, when the cougar or bear is a threat to Public Safety or domestic pets and livestock.

## Notice of Public Hearing

Klickitat County board of Adjustment **September 3<sup>rd</sup> 2019 at 7:00PM** in the Klickitat County Courthouse, Commissioners Meeting Room.

The subject will be a proposal for the development of 30 condominium units consisting of five individual structures, three stories in height with two units on each floor. The site area is approx 2.1 acres, and the proposed project is located within a portion of Section 3, T2N, R12, Lyle.

# Welcome to the 2019-2020 School Year

**August 6, 2019**

Dear Parents & Guardians,

As we begin the 2019-2020 school year, I want to offer my warmest welcome to new and returning students and parents. Please know that the goal of our staff is to maintain a safe and supportive environment that will enable your children to set goals, develop self-management skills and gain pride in their contributions and accomplishments.

Our teachers, para-educators and administration share a commitment to high academic standards and individualized learning, while also staying alert to students' social emotional needs. These ongoing efforts provide enhanced support, set high expectations for student conduct and promote success, ultimately preparing students to make good choices for today and the future.

We also are committed to a strong partnership between home and school. We welcome your comments, participation and involvement as we look forward to a wonderful school year.

Please feel free to reach out to me at 509-365-2191 or at [ann.varkados@lyleschools.org](mailto:ann.varkados@lyleschools.org). I look forward to hearing from you!

Sincerely, Ann Varkados, Ed.D,  
Superintendent

**August 18, 2019**

Dear Parents, Families, and Friends,

As I begin my second year as principal of Lyle Community Schools, I have been energized by the excitement and positive comments from students, parents and staff over the past week. It was great to see so many of you during enrollment!

With school starting on August 28, we are all excited to have students back in our classrooms and hallways. It is our mission to help every child feel welcomed, connected, and a part of the Lyle family. The energy and natural curiosity they bring to school is a spark we work to fan into a lifelong passion for learning.

We know children come to us with different abilities and needs and we are deeply committed to meeting them wherever they are and never giving up on them. We seek to build a 360-degree supportive environment by addressing our school culture, setting high standards for teacher performance, and engaging the community.

This is part of our commitment to make a positive difference in the lives of your children. Kids know when you believe in them and, in that environment, we can set high expectations for all

students and hold them accountable for their academic achievements.

This promises to be a year filled with many opportunities for all of our students as we strive to find ways to enhance their educational experience. For example, our secondary staff is working to implement a highly recommended program called The Power of ICU this year to provide a structure for student and staff accountability. Parents are also welcome to join us in implementing the program; if you are interested, please let me know.

I look forward to a very positive and productive year together. I want to extend a special, year-long invitation to you – whether you are family or community member -- to join us at school activities and events whenever possible. Better yet, if you have the time and inclination to volunteer at the school, please let me know! We know that adult involvement in schools and students' success are strongly connected and value your involvement and support.

The school PTO is already getting geared up for the coming school year. Moms and dads, grandmas and grandpas, uncles, aunts – whatever role you have in a child's life, you can make a difference for them by being part of the PTO.

Finally, communications between home and school are also vital and play an integral role in each student's success. We encourage you to contact us whenever the need arises, including family events that might impact your student's emotional health. Also, you can stay in the know about your child's studies, assignments, assessments, and school activities by checking school website, Facebook page, and the Skyward system frequently.

I am honored to serve as the principal of Lyle Community Schools. It is truly a privilege to be part of a community where parents, teachers, and students care for each other and strive to build positive relationships that support academic and social growth. Please feel

free to contact me at 509.365.2211 or at [lori.smith@lyleschools.org](mailto:lori.smith@lyleschools.org).

Once again, welcome back! Here's to an AWESOME new school year as we work together to make our school a great place to work and learn each day!

Sincerely, Lori A. Smith  
PreK – 12 Principal

**August 20, 2019**

Dear Lyle Schools Families,

As the 2019-2020 school year approaches, we want to share some exciting changes in transportation this year.

But first, bus routes will be posted on the district website by the evening of Monday, August 26. As always, we encourage you to watch our website and Facebook page for updates, as we often make adjustments to routes as the school year gets underway.

That said, Appleton and High Prairie routes should stay very similar to last year.

We've added a third route (Alligator) in Dallesport to accommodate the increased numbers of students we're transporting there. The new route will accommodate all students in the Village, Oak Creek Road, Columbia Hills RV Park, HWY 14, and Murdock areas.

Within the Dallesport community, as well as Newcastle Rd., we will have two buses. The first bus (Lion) will pick up pre-K through 5<sup>th</sup> grade while the other (Panda) will follow and pick up 6<sup>th</sup> - 12<sup>th</sup> grade. The bus drivers and I will review how this is going after each run for the first few weeks and adjust if needed.

We're able to do add the third route because the district has purchased a new smaller bus for runs with fewer students. This will allow us to switch the large buses to serving the most heavily-populated routes.

The new bus will be used for our High Prairie route (Elephant) but will also be used for extra-curricular activities such as field trips, sports, and after-school programs. Our new bus has seat belts and even booster seats. Be aware that state law says students riding a bus equipped with seat belts must use them. We will require all riders, students and adults, to comply with that law.

As always, if you have any questions, please feel free to call me at the bus garage at 509-365-2971. I am generally in the garage from 6:00- 8:30 am and 1:30- 4:30 pm.

Thank you, Don Smith,  
Transportation Supervisor

## Event Coordinator Wanted

The Dallesport Christmas Bazaar has been a popular annual event for the past 15 years. It was started and run by Alice Mattox for many years, and for the past few years was organized by Barbara Rauch. These two dedicated volunteers worked hard to make this bazaar well known throughout the Gorge. Now it's time to pass the torch to a new energetic volunteer. The bazaar which is held the first weekend of December donates the table rental proceeds to the Dallesport Fire Awareness Club and the Dallesport Murdock Community Council. The coordinators job entails calling and receiving calls from a variety of vendors old and new, collecting money from vendors, Procuring tables from from various sites, and setting them up. Purchasing or getting donations of food, soda, coffee to be sold at bazaar, preparing food table (hot dogs, chili, donuts, cookies, coffee, soda, ect.) finding volunteers to help you, & clean up of facility, (Current location is the Dallesport Community Center). A list of vendors will be available to you. You would also be able to show and sell your own crafts. Barbara Rauch will be available to train and to help you get started. If you are interested in carrying on this fine tradition and would like more information, please call Barbara Rauch @ 541-980-5572 to leave message.
