Goldendale Observatory

46 years after construction of Goldendale Observatory, the first major renovation of this unique State Park is nearly complete. A much larger and more advanced learning center now stands in compliment to the iconic main observatory dome and the newly upgraded telescope within. Seating capacity has more than tripled and self-guided interpretive exhibits are being installed throughout the campus.

Facility Update 10/15/19:

A "Soft Opening" of the new Goldendale Observatory is now underway. For the remainder of 2019, appointments for visits on specific dates and times are being accepted. Operating dates include the weekend prior to the Nov 11th Mercury Transit, the weekend after Thanksgiving, and the weekend after Christmas. Regular facility operations are expected to resume in 2020. Please monitor the [visit](#) page for specific tour information, which is always accurate.

Planet Mercury transits the face of the Sun on Monday morning, **November 11th, 2019**. From the Pacific timezone, over 50% of the transit will be visible from sunrise until 10:08am. Goldendale Observatory will be open from 6:30am to 10:30am with solar telescopes at the ready.

Book Review

By Judy Bane "The Me I Used To Be" by Jennifer Ryan

A good contemporary romance is something I have always enjoyed and Jennifer Ryan delivers a well developed story with vivid characters who face real life with courage and grit. I particularly enjoyed this latest title and I hope you get the chance to explore her other books.

If you like Jill Shalvis and Kristin Hannah, you'll love Jennifer Ryan's exciting new novel, where a young woman has the chance to rebuild her life and become the woman she was always meant to be....

An inheritance she never expected...

After serving time for a crime she didn't commit, Evangeline returns home to discover her father left her solely responsible for the family's failing ranch, her mother blames her for her father's death, and her brothers want her out of their way. With her family's future squarely on her shoulders, she desperately searches for ways to save their home - before they lose everything.

A chance to right past mistakes...

Her only ally: Chris Chambers. The cop who sent her away is positive she took the fall for someone else. And if she helps him track down the real criminals, he'll clear her record. But the closer Evangeline and Chris get to exposing the truth - and to each other - the deeper Evangeline is drawn into a dangerous sting that will finally bring her justice and pave the way for a bright future.

DNA Class - Linda Colton

Linda Colton will be teaching a class on "DNA: Whys, Hows and What to Do With Your Results". This class will briefly touch on why testing your DNA is helpful, the various companies and tests available, but mostly the class will focus on what to do with your results and how you can boost your research using DNA cousin matches. Come and learn how to figure out those hundreds of cousin matches and see the latest awesome tools from the testing companies to help you find more relatives!

Our society generally meets on the second Saturday of each month in the lower level classroom in the Columbia Gorge Discovery Center in The Dalles. The Board of Officers meets at 9:00am followed by a general meeting and program at 10:30am. Visitors are

welcome and a recommended \$1.00 donation to defray room rental costs.

State Parks Free Days

Nov. 11 (Monday) Veterans Day and
Nov. 24 (Sunday) autumn free day.

Time to sign up for Veterans' Day Parade November 11, 2019

Entry forms for the Veterans Day Parade are available at the Chamber of Commerce, VSO office and the Columbia Gorge Veterans Museum located at 205 E 2nd St, The Dalles, OR. Entry forms need to be returned by November 8, the Friday before the parade. The event takes place Monday Nov. 11, 2019, beginning at 11a.m. There is no entry fee. Patriotic decorations are welcome. There will be a community Potluck following the parade at the Oregon Veterans' Home. Bring you favorite Potluck food and deserts to share with all. This will be hosted by the VFW Post and Auxiliary 2471.

To kick off the parade starting at 11a.m., it is requested by the Parade Committee for Churches and Public Buildings who have bells, sirens, chimes etc, to sound them showing honor and respect to our men and women who have put on the United States Military Uniform in service to this Nation. This Veterans' Day our intent is to honor all Veterans in The Dalles, OR, and all Veterans from surrounding areas in the Columbia River Gorge. Put this on your calendars and electronic devices..

Committee Chair: Mike Knopf.
Members: Gary Elkention, Vandee Mauser, Pat Lucas, Karl Vercouteren, Karen Knopf, Rod Runyon and Chris Mumford. Non profit, Mid Columbia Veterans' Memorial Committee.

Washington Veterans Can Preserve Their Stories In The Library Of Congress

Congresswoman Jaime Herrera Beutler will be partnering with the Veterans History Project whose mission is to collect, preserve, and make accessible the personal accounts of American wartime veterans so that future generations may hear directly from veterans and better understand the realities of war and the sacrifices made for our freedom.

At the event, Herrera Beutler, her staff, and members of the military community will be conducting one-on-one

interviews with Southwest Washington veterans about their wartime experiences. The interviews will then be submitted for preservation as part of the American Folklife Center at the Library of Congress.

All Southwest Washington veterans are invited to participate and share their military stories at a Vancouver-area event. Those who wish to participate should RSVP at

VetStoriesWA03@Mail.House.gov or call Herrera Beutler's Vancouver office at (360) 695-6292.

More information—including the veteran collections—about the Veterans History Project is available at <http://www.loc.gov/vets>.

Community Council Corner

By Angie Jenkins

The Dallesport-Murdock Community Council met on October 10, 2019 at the Dallesport Community Center. No speaker was at the meeting, we are working to schedule some in the near future. This was a relatively brief meeting. Some discussion regarding agenda topics was done, such as treasurer reports, by-laws, and upcoming elections.

The Garden Project Dallesport will be holding the next meeting Tuesday November 15, 2019 at the Community Center in Dallesport 7pm. Meetings will be held every third Tuesday 7pm at the same location.

There was some discussion regarding Sagetech and the proposed sale of the Dallesport property. No new changes to report at this time but we will keep citizens informed.

There has been some community discussion regarding the topic of driving properly licensed ATV's within the city limits. The council wants to get citizen responses regarding the issue so please attend the next council meeting for more information and to give input.

The next meeting of the Dallesport-Murdock Community Council is Thursday **November 14, 2019 at 7pm** at the Dallesport Community Center on 6th Avenue. Meetings are held the second Thursday each month at 7pm.

Council Elections

Each year, 3 positions on the 9-person community council are up for election. This year WJ "Bill" Morris, David McNeal, and Sally Swing have their terms expiring. All have expressed an interest in running for re-election. The elections are held prior to the November Council meeting. Intent to run must be submitted to the Council on or before the October meeting. Write-ins are accepted on Election Day. Eligibility for the council include being a resident, real estate leaseholder and/or property owner living in the Dallesport/Murdock community for at least 6 months and be a registered voter in good standing in the community. If you are interested, look for the notice and form in the post office or contact Kim McCartney at kmccartney@charter.net or 509-594-6195 to register your desire to be on the council.

Lyle School Hosts 200 for Pizza and Games Night

Over 200 students, parents and family members showed up to join the Lyle School District staff and the PTO for pizza and games on Wednesday, October 16.

The event was a combination open house and game night, with para educators sharing simple games parents could take home to practice math and English Language Arts (ELA) skills with their children. Teachers welcomed parents to visit their rooms. Among them, secondary science teacher Donna Sholtis set up microscopes in her room and welcomed everyone to take a closer look at everyday items.

Columbia Gorge Community College's Sara Viemeister and the school's secondary Math/STEM teacher Dr. Tim Foley were available in the library to walk seniors through completing the FASFA for financial aid for post-secondary education. At least nine seniors were able to complete the FAFSA with their assistance.

Klickitat Canyon & Columbia Gorge Winery brought an apple press and to give students the opportunity to squeeze and drink fresh juice. Between all of that and a middle school game in the gym, no one could say they were bored.

One of the highlights was drawing names for the raffle winners. Students and parents took home:

- A girl's bike and a boy's bike
- An extra-extra-large bright green Seahawks hoody sweatshirt
- A Nike basketball
- Spa item gift baskets
- Gift certificates for Fred Meyer, a nail shop and other retailers in the area.

This parent engagement activity was sponsored by Title I. We want to give a big thank you to our PTO for their ongoing support!

Nick Fitzsimmons Appointed to Lyle School Board

Nick Fitzsimmons was appointed to the Lyle School District Board of Directors during the regular board meeting September 25,

2019. Staff and the board were impressed with the quality of all three applicants for the position and thank Nancy Sallee and Garrett Towle for their interest in serving in this important position.

Nick was appointed to position four, an at-large position previously filled by Tria Bullard. Ms. Bullard resigned her seat in August. Fitzsimmons will now serve through the remainder of Bullard's term, which ends December 31, 2021, and can, if he chooses, run for a subsequent four-year term in the fall of 2021.

Nick is a 2002 Lyle High School graduate who also has kids in the school system and is active in the community. He serves on the Lyle Community Council, as well.

Dallesport School Building.

We want to share the following statement related to the district's Dallesport property: We are aware that a real estate listing has shown up recently for the property. As most of the community already knows, Sagetech holds a lease for the district's Dallesport property with an option to purchase it.

Since Sagetech was placed in receivership, the receiver is now making decisions about Sagetech's assets, including the Dallesport building.

Sagetech exercised the option to purchase the property last February and, since that time, the district has completed the tasks necessary for that to happen, including holding a public

meeting in Dallesport to hear community feedback and getting a commercial appraisal done. It has also held discussions about how to continue providing softball and track practice areas if the property is sold.

The board made a decision on September 25 during a regular board meeting to declare the property surplus and available for sale, the last legal steps required to move forward in the sale. However, negotiations between Lyle School District and the receiver have not been completely finalized. Based on our appraisal, the district has countered the company's original purchase price offered.

The listed price to purchase the property is higher, because Sagetech invested a considerable amount of

money in updating and remodeling the building.

We are working with our attorney to comply with our legal responsibilities in regard to the lease, while remaining good stewards of the school district's finances and meeting the needs of our students, families and community.

Money from the sale of the Dallesport property will go into the district's capital projects fund, as required by state law, and can legally be used **ONLY** for construction projects or major repairs/improvements to the district's remaining property.

When a final agreement is in place between the receiver and Lyle School District, we will make a follow-up announcement.

Lyle School Board Meeting Dates Change

The regular scheduled monthly meetings of the Lyle School District Board of Directors have some changes in the last quarter of 2019.

The regular November meeting will be held on the third Wednesday instead of the fourth Wednesday of the month, due to its proximity to the Thanksgiving holiday. The December meeting was already scheduled for the third Wednesday of the month due to winter break.

Those meetings will be held on November 20 and December 18, both at the regular time of 6 p.m., in the school's board room in the lower level of the school.

The board meetings will return to their regular time and day, 6 p.m. on the fourth Wednesday of the month, in January.

All school board meeting times are set by a majority vote of the board of directors. If you have questions, please call 509-365-2191
